

DOOR to DOOR

Habitat for Humanity of Southeastern Connecticut Newsletter ■ Spring 2013

Building More than Houses . . . Looking to the Future

In 2012, Habitat for Humanity of Southeastern Connecticut was blessed to celebrate its 25th year of service. This anniversary provided an opportunity to pour over board minutes, event programs, photographs, and newsletters from the past 25 years. While hair styles, technology and our own communities may have changed over the past 25 years, one thing has remained constant: the affiliate began rooted in

One of the most inspiring moments of a BUILD continues to be when the volunteers push up the first wall! We invite you to join us and share the joy of “making a difference.”

love, compassion, and concern for one’s neighbor and remains so today. This is embodied every time a volunteer wakes up early on their day off to spend hours at the construction site or ReStore. It is embodied every time a donor gives so willingly of hard earned assets. And it is embodied joyfully when a homeowner finally turns the key in the lock of the home she owns. Your love, compassion, and concern have made a life changing difference for so many. Thank you.

This anniversary also provided an opportunity to look forward and to ask, “How can we serve more families here in Connecticut and around the world?” One answer to the question has been in process for the past year, and now Habitat for Humanity of Southeastern Connecticut is very pleased to share that in the coming year, the affiliate will merge with Habitat for Humanity of Northeastern Connecticut to form Habitat for Humanity of Eastern Connecticut. This new affiliate will serve Northern Windham County and New London County. We believe, in the next 12 – 24 months, we can consistently shelter one more family annually at the local level and several more internationally. Additionally, we can allow the very dedicated volunteers of the Northeast affiliate to joyfully serve the mission simply by providing them staffing support.

We are very excited for this opportunity to serve more families, and we hope you will find joy and excitement in this news as well. For your love, compassion and concern, thank you.

United States Coast Guard Academy Alumni Association and Cadet Build

In August of 2012, representatives from the United States Coast Guard Academy, the Academy's Alumni Association, and the Academy's current cadet classes joined representatives from Habitat for Humanity of Southeastern Connecticut to break ground on the Needham-Jenkins family's future home at 9 Jefferson Avenue in New London.

The Needham-Jenkins family home is being sponsored by the USCGA Alumni Association and the United States Cadet Classes along with support from the CGA Parent's Association, and the Institute for Leadership, with the bulk of the construction labor being performed by the cadet classes. This is the first partnership between the Coast Guard Academy Alumni Association, the Cadet classes and HFHSECT, and it is believed to be the first Habitat for Humanity home in the nation sponsored by the alumni of a US Military Academy and constructed by current cadets.

The USCGA community has come together enthusiastically to contribute to the construction of the home, with volunteer crews working every weekend making swift progress. The project has even garnered national attention, having been featured on the Habitat World website and in *The Bulletin*, the official newsletter of the USCGA Alumni Association.

The Needham-Jenkins family home will be dedicated on Saturday, April 6th at noon. All are invited to attend.

USCGA Superintendent Rear Admiral Sandra Stosz, Coast Guard Academy Cadets and alumni join Linda Needham's groundbreaking.

The wall-raising at 9 Jefferson Avenue.

129 Prospect Street

The construction of **129 Prospect Street** is also progressing quickly after the original structure underwent a lengthy lead and asbestos remediation before demolition. Construction on the new structure began in December and is expected to be complete in June 2013. This will be the home of the Davis family.

BE A VOLUNTEER

"The heart of a volunteer is not measured in size, but by the depth of the commitment to make a difference in the lives of others." - DeAnn Hollis

Future Homeowner Davis Family

My name is Tanikka Davis. I have two sons — Jaylen, 11 and DeJean, 8. Owning my own home has always been just a dream for me. Recently, I moved back home to save money to buy my own home, but soon I realized that it was still going to be more than I could afford. Living back home quickly became an overcrowded situation.

I heard Habitat was accepting applications and I must admit I was hesitant. I just couldn't believe that there was a possibility I could have the opportunity to own a place my children and I could call home. I went to the seminar, filled out the application, and expected to be denied.

When I received the call that I would be getting a house, I was completely speechless. So many emotions were running through me, and in the end, all I could do was cry and thank God. I'm so truly grateful. I thank Habitat for Humanity for making my dream of owning my own home a reality.

Newest Homeowners — Congratulations

The Cudzilo Family
51 Fairmount St.
Norwich

The Chappelle Family

Future Habitat Homeowners

Needham-Jenkins Family

My name is Linda and I am a mother to three beautiful children. O'Ryann, 15, loves video games, Daelyssa, 14, has been a tap dancer for 10 years, and Karisma, 7, and has been taking tap for 3 years. I am currently a student at Three Rivers Community College where I am pursuing nursing.

I heard about Habitat for Humanity through the newspaper and saw they were having an information seminar and decided to go. I went in February 2012 and completed the processes. In May 2012 I received the call from my volunteer partner Evelyn that I was selected. My family and I were so happy to finally have a dream come true. We cannot wait to start the process and to help others make their dreams come true by helping them with the processes of Habitat. I could never express in words how much I appreciate everything everyone has done for me, and all the volunteers that will be part of my build, including the United States Coast Guard. Thank you so much for taking time out of your busy lives to help my family's dream come true.

Quilter Family

My name is Tracy Quilter. I'm a single mother of 2 beautiful girls, Brittini and Brooklyn. I feel so incredibly blessed to have been given this opportunity to be part of Habitat for Humanity. My girls and I have lived in low income housing for quite a while now and were in desperate need for a change in our living conditions due to a horrible mold problems and other unsafe conditions.

Knowing I could never make this change on my own, I looked into Habitat for Humanity and was chosen to be a "Future Homeowner". I never thought I would hear those words or ever imagined I could ever own my own home, things like this just don't happen to us. I still have to remind myself that I am going to own a home where my girls can be safe and live in a healthy environment. I always dreamed of doing something amazing for my girls to show them how much I love them, although this is not a trip to Hawaii or Disney World or some other tropical paradise, but so much more. They may not realize it now but this will be a big gift for them. I want to prove to my girls that you can do anything and even though you may think some goals are out of reach, to never give up. And even though it took me a while I'm going to make everything OK for my girls.

Tithe and Global Village

In March of 2012, a group of 12 volunteers from HFHSECT embarked on the affiliate's first Global Village trip to build homes in Guatemala, one of HFHSECT'S tithe partners.

A diverse group of volunteers, board members, former board members, staff, and complete newbies traveled to Chiquimula, Guatemala where they worked with local masons to help build two simple homes for local families. Volunteers spent the week moving concrete blocks, mixing concrete, and mortaring. The week wasn't all work, however! The group also had the opportunity to take in local food and culture, as well as explore the colonial city of Antigua.

HFHSECT tithes 10% of all its unrestricted donations to Habitat for Humanity affiliates in Guatemala, Egypt and Haiti.

The two homes HFHSECT's volunteers helped build in March 2012

HFHSECT pose with Habitat for Humanity Guatemala staff and homeowner families.

Faith In Action

HFHSECT is looking forward to hosting its annual Faith Breakfast on Wednesday, May 22 at 7:30 am at the Union Baptist Church in Mystic. This is a wonderful opportunity for local faith communities to learn about HFHSECT's current work and become re-engaged in the affiliate's work.

Leaders and congregation members are also invited to join HFHSECT for a day of fun, hard work and

fellowship on a build site at the annual Clergy Build Day on June 5. Leader and lay people from all local faith communities are invited and encouraged to attend these events.

Additionally the faith in action committee is accepting new volunteers. If you would like to join the committee, register for either event or would like more information contact Amanda at mission@habitatsect.org or 860-442-7890 x201.

Youth

HFHSECT is excited to announce the 4th Annual Nickels for Nails coin collection drive will be taking place this spring from April 1 through May 3. Proceeds from the Nickels for Nails drive will go into a fund for a youth sponsored and built home. Additionally, 10% of the funds raised will be donated to Habitat for Humanity affiliates in Egypt, Guatemala, and Haiti.

If you would like to get your school or youth group involved, please go to:

www.habitatsect.org/nickels_for_nails/blog

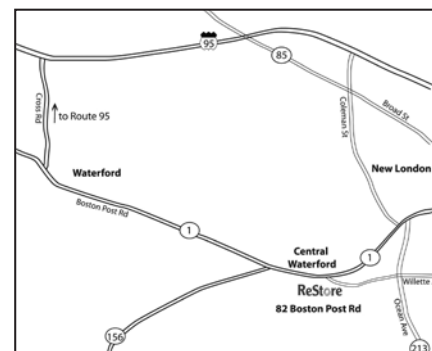

If you would like to learn more about how your school or youth group can support HFHSECT, please contact volunteer relations at: 860-442-7890 x215 or volunteer@habitatsect.org

Habitat for Humanity®
of Southeastern Connecticut

ReStore

Habitat for Humanity of Southeastern Connecticut is very excited to announce the relocation of the ReStore! Connecticut's ReStore will be moving from its Salem location to a new storefront at **82 Boston Post Road, Waterford** this spring.

The ReStore sells new and gently used building materials, appliances, furnishings and household goods. All proceeds support HFHSECT's afford-

able housing initiatives. The store is moving from its original rented location of the last five years in the Salem Country Gardens plaza in early spring of 2013.

In late fall of 2012, the Salem property was purchased by the Burnett family, who intend to use the entire plaza for a garden center. "The Burnett's are long-time supporters of Habitat's mission and offered us use of the space for as long as necessary. Habitat had already decided to not renew our initial lease, opting to relocate to a facility with better temperature control and more one level shopping. The Burnett's have been incredibly accommodating throughout our search for a new location," said executive director Terri O'Rourke, "We wish them all the best."

Leave a Legacy of Home

What comes to mind when you think of Habitat for Humanity? Long hours spent working alongside a family to help them achieve their dream of safe, decent housing? Smiles on the faces of children as their new home is dedicated?

From your experience with Habitat for Humanity, you see the life-changing impact of owning a home and the difference your contributions have made in the lives of hard-working, low income families.

Current Location
400 New London Rd.
(Salem Country Gardens)
Salem, CT 06460

Future Location
82 Boston Post Rd.
Waterford, CT 06385

If you have stopped by the ReStore recently, you may have noticed a couple of new faces. HFHSECT would like to welcome two new staff members: New Store Manager Tony Santagata, and new Assistant Manager Alan Ganong!

Welcome, Tony Santagata and Alan Ganong!

Tony (above left) brings over 20 years of retail and sales experience to the store, as well as a background in the public and non-profit sector.

Alan (above right) had been a regular ReStore volunteer since 2009 before accepting the Assistant Manager Position.

SHOP * DONATE * VOLUNTEER
Store Days and Hours
Thursday thru Saturday: 10:00 am to 6:00 pm
Sunday: 10:00 am to 4:00 pm
Closed: Monday thru Wednesday
860-892-9553

You can continue to help provide safe, decent and affordable housing for generations to come by remembering Habitat for Humanity of Southeastern Connecticut in your will or as a beneficiary of your IRA, life insurance or other asset. Your planned gift will help families for years to come.

For more information about planned giving, contact Amy D'Amico at 860-442-7890 x204 or adamico@habitatsect.org.

Save the Date **Bid to Build** Friday, May 3, 2013

Get Ready to **Bid to Build** and have some fun!

Are spring home improvement projects overwhelming you? Or maybe you're in need of a fun evening out? Then join Habitat for Humanity of Southeastern Connecticut for the Fifth Annual Bid to Bid Event!

Contractors' home improvement businesses from around the region have donated their services to be auctioned in support of Habitat for Humanity of Southeastern Connecticut. The event will also feature live entertainment from the acoustic band, *That's What She Sang*; a basket raffle; hors d'oeuvres and drinks.

Fifth Annual Bid to Build Event
Friday, May 3, 2013 ~ 6:30 pm

At the **FUTURE ReStore**, 82 Boston Post Road, Waterford, CT 06385

Tickets to the event are \$10 and can be ordered with the enclosed order form.

Bid to Build
