Building More than Houses...

Preparing for Warmer Days

It was a seemingly endless winter, wasn't it? Sometimes in the succession of short days, chilly winds, and endless shoveling, spring warmth can seem so far away it is difficult to remember what it feels like. However, even on the coldest days, at the HFHECT worksites there is a reminder of warmer times to come. Each nail driven is a reminder of the brighter future we're building in partnership with our partner families and a reminder of the love and dedication which brings volunteers to the Habitat worksite even on the coldest days of winter. As the homes take shape, it becomes easier to imagine the futures that will unfold within the walls in the spring, summers, falls and winters to come.

As spring slowly unfolds, we look forward to the construction and rehabilitation of houses, the

dedications of completed homes, the engagement of new volunteers on site and in the ReStores, and the growth of HFHECT's community. With great gratitude we look back at the cold winter months which serve as a reminder that in the coldest months, the love for our neighbors propels us forward and helps us prepare for warmer days.

For all you have done to help Habitat for Humanity of Eastern Connecticut prepare for warmer days and brighter futures, thank you.

New Homeowner - Congratulations!

The Quilter Family and their new home on 66 Raymond Street in New London.

Homes That Need Your Help

This spring, HFHECT will be working at the following construction sites:

- 111 Flanders Road, Niantic
- 344 Maple Avenue, Montville
- 90 Van Den Noort Street, Putnam

HFHECT would love to have your help on these projects! For more information about volunteering and how to get started, visit www.habitatct.org/volunteers.

For information on sponsorship and financial support, please contact Amy D'Amico at 860-442-7890 x204 or adamico@habitatct.org.

Completed Projects

HFHECT is continuing to revitalize homes and neighborhoods through the rehabilitation of vacant and foreclosed homes. Both of the following homes were rehabilitations which helped create renewed tax generating assets in the city of New London. Sincere thanks to each of the volunteers and donors who contributed to the rehabilitation of these homes!

66 Raymond Street in New London was dedicated on Sunday, December 15, where the Tracy Quilter and her daughters received the key to their home just in time for the holidays.

151 Lincoln Avenue in New London will be dedicated on Sunday, April 6th at 3:00 pm. All are invited to attend and welcome the Rich-Manchester Family in their new home.

Interested in Volunteering?

HFHECT asks all new volunteers to attend an hour long Training & Orientation which are held twice a month.

Leaving a Legacy of Home

Why We Chose to Leave A Legacy Gift to HFHECT

"I have been involved with Habitat for Humanity of Eastern Connecticut for about 10 years now. My fondest memories in my Habitat experience come from the heartfelt stories about the people we serve. I remember one home dedication in particular. When the young daughter of a new homeowner was asked what she liked best about her new home she replied, "Now we'll be living someplace that's warm." That really touched my heart.

Recently when we updated our estate plan, it seemed like a natural choice to include our local Habitat affiliate as a beneficiary. My wife Lisa already directs a portion of her United Way payroll deduction toward HFHECT. From time to time we give appreciated stock to Habitat. So leaving a planned charitable gift to Habitat also made sense. And it was so easy! All we had to do was give the attorney the details about how much we wanted to give and the name and address of the charity. The attorney took care of the rest.

I was inspired to make a gift like this when I heard one of our past Board Presidents say that he had made HFHECT the beneficiary of one of his life insurance policies. I decided that I wanted to make a gift like that someday, too.

Lisa Thomasco and Darrell Fox, HFHECT board member and volunteer

Lisa and I feel great about our planned gift! We know we're leaving the legacy of a safe, warm home for a family."

~ Darrell Fox, HFHECT board member and volunteer.

Is HFHECT already in your will, trust or other estate plans? Thank you! Please let us know about your plans as it helps HFHECT plan for the future. To notify HFHECT of a planned gift, or for more information about making an estate gift, please contact Amy at adamico@habitatect.org or 860-442-7890 x204. Your gift may remain anonymous, if you like.

Faith in Action

A quilt has been given to every homeowner by the United Methodist Church of Gales Ferry

Habitat for Humanity of Eastern Connecticut is excited to host its annual Faith Breakfast on Wednesday May 14 at the United Methodist Church of Gales Ferry. This is an opportunity to learn about HFHECT's current work and opportunities to be involved.

Clergy and lay leaders are also invited to join HFHECT for a day of fun, hard work and fellowship on a build site for the annual Clergy Build Day on Tuesday, June 3.

Leaders and lay people from all local faith communities are invited to participate in these events and put faith into action!

The Faith in Action Committee is also accepting new volunteers! If you would like to join the committee, contact faith@habitatect.org or 860-442-7890 x202.

Have a clunker? Why not give it a new life helping build homes for local families in need? The Cars for Homes program will pick up your car, truck, motorcycle, boat, RV or other vehicle and turn it into cash to support the construction and rehabilitation of local homes. For more information call 1-877-277-4344 or go to www.habitatect.org and click on the Cars for Home logo on the right.
